THIS CONTRACT is made and entered into this date of \_\_\_\_\_, by and between the MICHIGAN DEPARTMENT OF TRANSPORTATION, hereinafter referred to as the "DEPARTMENT"; and the CITY OF ROCHESTER HILLS, a Michigan municipal corporation, hereinafter referred to as the "CITY"; for the purpose of fixing the rights and obligations of the parties in agreeing to construction improvements located within the corporate limits of the CITY.

WITNESSETH:

WHEREAS, the DEPARTMENT is planning left turn lane construction and intersection improvement work within the corporate limits of the CITY; and

WHEREAS, the CITY has requested additional work in connection with a portion of the DEPARTMENT'S construction, which additional work in conjunction with the DEPARTMENT'S construction is hereinafter referred to as the "PROJECT" and is further described as follows:

PART A – JN 116512 (FEDERAL, STATE, & CITY PARTICIPATION)

Right turn lane construction work at the intersections along eastbound and westbound Highway Old M-59 between Crooks Road and Culberston Avenue; together with necessary related work, located within the corporate limits of the CITY; and

PART C – JN 120276 (100% CITY PARTICIPATION)

Right turn lane construction work at the intersection of northbound Livernois Road and Highway Old M-59 (Auburn Road) and northbound John R Road and Highway Old M-59 (Auburn Road); together with necessary related work, located within the corporate limits of the CITY; and

WHEREAS, the DEPARTMENT presently estimates the PROJECT COST as hereinafter defined in Section 1 to be:

PART A:	\$1,325,400
PART B:	\$2,133,700
PART C:	<u>\$ 265,200</u>
TOTAL:	\$3,724,300

WHEREAS, the parties hereto have reached an understanding with each other regarding the performance of the PROJECT work and desire to set forth this understanding in the form of a written agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual undertakings of the parties and in conformity with applicable law, it is agreed:

1. The CITY hereby consents to the designation of the PROJECT as a state trunkline highway. The parties shall undertake and complete the construction of the PROJECT as a state trunkline highway in accordance with this contract. The term "PROJECT COST", as herein used, is hereby defined as the cost of construction or reconstruction of the PROJECT including the costs of preliminary engineering (PE), plans and specifications; acquisition costs of the property for rights of way, including interest on awards, attorney fees and court costs; physical construction necessary for the completion of the PROJECT as determined by the DEPARTMENT; and construction engineering (CE), legal, appraisal, financing, and any and all other expenses in connection with any of the above.

2. The cost of alteration, reconstruction and relocation, including plans thereof, of certain publicly owned facilities and utilities which may be required for the construction of the PROJECT, shall be included in the PROJECT COST; provided, however, that any part of such cost determined by the DEPARTMENT, prior to the commencement of the work, to constitute a betterment to such facility or utility, shall be borne wholly by the owner thereof.

3. The CITY shall make available to the PROJECT, at no cost, all lands required thereof, now owned by it or under its control for purpose of completing said PROJECT. The CITY shall approve all plans and specifications to be used on that portion of this PROJECT that are within the right of way which is owned or controlled by the CITY. That portion of the PROJECT which lies within the right of way under the control or ownership by the CITY shall become part of the CITY facility upon completion and acceptance of the PROJECT and shall be maintained by the CITY in accordance with standard practice at no cost to the DEPARTMENT. The DEPARTMENT assumes no jurisdiction of CITY right of way before, during or after completion and acceptance of the PROJECT.

4. The parties will continue to make available, without cost, their sewer and drainage structures and facilities for the drainage of the PROJECT.

5. The DEPARTMENT will administer all phases of the PROJECT and will cause to be performed all the PROJECT work.

Any items of PROJECT COST incurred by the DEPARTMENT may be charged to the PROJECT.

6. The CITY will approve the design of the PART C portion of the PROJECT and shall accept full responsibility for the design with respect to the facilities functioning as a part of the CITY'S facilities. Any approvals by the DEPARTMENT are for its own purposes and are not to nor do they relieve the CITY of liability for any claims, causes of action or judgments arising out of the design of the facilities.

7. The PART A and B portions of the PROJECT COST shall be met in part by contributions from agencies of the Federal Government. The balance of the PART A, B, and C portions of the PROJECT COST, after deduction of Federal Funds, shall be charged to and paid by the DEPARTMENT and the CITY in the following proportions and in the manner and at the times hereinafter set forth:

	<u>PART A</u>	<u>PART B</u>	<u>PART C</u>
DEPARTMENT -	87.5%	87.5%	0%
CITY -	12.5%	12.5%	100%

The PROJECT COST and the respective shares of the parties, after Federal-aid, is estimated to be as follows:

	TOTAL ESTIMATED COST	FED AID	BALANCE AFTER FEDERAL AID	DEPT'S SHARE	CITY'S SHARE
PART A					
Constr. & CE	\$1,128,200	\$1,015,400	\$112,800	\$ 98,700	\$ 14,100
PE	\$ 147,200	\$132,500	\$ 14,700	\$ 12,900	\$ 1,800
ROW	\$ 50,000	\$45,000	\$ 5,000	\$ 4,400	\$ 600
PART B					
Constr. & CE	\$1,887,500	\$1,544,900	\$342,600	\$299,800	\$ 42,800
PE	\$ 246,200	\$201,500	\$ 44,700	\$ 39,100	\$ 5,600
PART C					
Constr. & CE	\$ 234,600	\$ 0	\$234,600	\$ 0	\$234,600
PE	\$ 30,600	\$ 0	\$ 30,600	\$ 0	\$ 30,600
TOTAL	\$3,724,300	\$2,939,300	\$785,000	\$454,900	\$330,100

Participation, if any, by the CITY in the acquisition of trunkline right-of-way for PARTS A and B of the PROJECT shall be in accordance with 1951 P.A. 51 Subsection 1d, MCL 247.651d. An amount equivalent to the federal highway funds for acquisition of right-of-way, as would have been available if application had been made thereof and approved by the Federal government, shall be deducted from the total PROJECT COST prior to determining the CITY'S share. Such deduction will be established from the applicable Federal-Aid matching ratio current at the time of acquisition.

The PE costs will be apportioned in the same ratio as the actual construction award and the CE costs will be apportioned in the same ratio as the actual direct construction costs.

8. The DEPARTMENT shall maintain and keep accurate records and accounts relative to the cost of the PROJECT. The DEPARTMENT may submit progress billings to the CITY on a monthly basis for the CITY'S share of the cost of work performed to date, less all payments previously made by the CITY not including payments made for a working capital deposit. No monthly billings of a lesser amount than \$1,000 shall be made unless it is a final or end of fiscal year billing. All billings will be labeled either "Progress Bill Number \_\_\_\_\_", or "Final Billing". Payment is due within 30 days of receipt of invoice. Upon completion of the PROJECT, payment of all items of PROJECT COST and receipt of all Federal Aid, the DEPARTMENT shall make a final billing and accounting to the CITY.

The CITY will deposit with the DEPARTMENT the following amount which will be used by the DEPARTMENT as working capital and applied toward the end of the project for the contracted work and cost incurred by the DEPARTMENT in connection with the PROJECT:

DEPOSIT PART C - \$53,000

The total deposit will be billed to the CITY by the DEPARTMENT and shall be paid by the CITY within 30 days after receipt of bill.

9. Pursuant to the authority granted by law, the CITY hereby irrevocably pledges a sufficient amount of funds received by it from the Michigan Transportation Fund to meet its obligations as specified herein. If the CITY shall fail to make any of its required payments when due, as specified herein, the DEPARTMENT shall immediately notify the CITY of the fact of such default and the amount thereof, and, if such default is not cured by payment within ten (10) days, the DEPARTMENT is then authorized and directed to withhold from the first of such monies thereafter allocated by law to the CITY from the Michigan Transportation Fund sufficient monies to remove the default, and to credit the CITY with payment thereof, and to notify the CITY in writing of such fact.

10. Upon completion of construction, the PART B portion of the PROJECT shall be operated and maintained by the CITY at no cost to the DEPARTMENT.

11. With respect to that portion of the PROJECT under the jurisdiction of the CITY:

- A. Any and all approvals of, reviews of, and recommendations regarding contracts, agreements, permits, plans, specifications, or documents, of any nature, or any inspections of work by the DEPARTMENT pursuant to the terms of this contract are done to assist the CITY. Such approvals, reviews, inspections and recommendations by the DEPARTMENT shall not relieve the CITY of its ultimate control and shall not be construed as a warranty of their propriety or that the DEPARTMENT is assuming any liability control or jurisdiction.
- B. The providing of recommendations or advice by the DEPARTMENT does not relieve the CITY of its exclusive jurisdiction of any CITY highway and responsibility under MCL 691.1402 et seq., as amended.
- C. When providing approvals, reviews and recommendations under this contract, the DEPARTMENT is performing a governmental function, as that term is defined in MCL 691.1401 et seq., as amended, which is incidental to the completion of the PROJECT.
- D. The DEPARTMENT, by executing this contract, and rendering services pursuant to this contract, has not and does not assume jurisdiction of any CITY highway for purposes of MCL 691.1402 et seq., as amended. Exclusive jurisdiction of such highway for the purposes of MCL 691.1402 et seq., as amended rests with the CITY

12. The CITY certifies, by execution of this contract, that, upon completion of construction of the PROJECT and at no cost to the PROJECT or the DEPARTMENT, it will:

- A. Properly maintain or provide for the maintenance and operation of the PART B portion of the PROJECT, making ample provisions each year for the performance of such maintenance work as may be required.
- B. Sign and mark the PART B portion of the PROJECT, in accordance with the current Michigan Manual of Uniform Traffic control Devices, and will not install, or permit to be installed, any signs, signals or markings not in conformance with the standards approved by the FHWA, pursuant to 23 USC 109 (d).
- C. Enact and enforce promptly upon completion of the PROJECT an ordinance prohibiting parking in the roadway right-of-way throughout the limits of the PART B portion of the PROJECT.
- D. Make no changes to ordinances or regulations enacted, or traffic controls installed in conjunction with the PROJECT work without prior approval of the DEPARTMENT and the FHWA.

13. The CITY, in conformance with Federal Aid Policy Guide (FAPG) Chapter I, Subchapter G, Part 630, Subpart C: Project Agreements, stipulates the following with respect to its specific jurisdiction of the PROJECT:

- A. That any facility to be utilized in performance under or to benefit from this contract is not listed on the Environmental Protection Agency (EPA) List of Violating Facilities issued pursuant to the requirements of the Federal Clean Air Act, as amended, and the Federal Water Pollution Control Act, as amended.
- B. That it agrees to comply with all of the requirements of Section 114 of the Federal Clean Air Act and Section 308 of the Federal Water Pollution Control Act, and all regulations and guidelines issued thereunder.
- C. That as a condition of Federal aid pursuant to this contract the CITY shall notify the DEPARTMENT of the receipt of any advice indicating that a facility to be utilized in performance under, or to benefit from this contract, is under consideration to be listed on the EPA List of Violating Facilities.

14. Failure of the CITY to fulfill its responsibilities as outlined herein may disqualify the CITY from future Federal-Aid participation in projects on roads or streets for which it has maintenance responsibility. Federal-aid may be withheld until such time as deficiencies in regulations have been corrected and the improvements constructed as the PROJECT are brought to a condition of maintenance satisfactory to the DEPARTMENT and the FHWA.

15. The DEPARTMENT shall secure from the Federal Government approval of plans, specifications, and such cost estimates as may be required for the completion of the PROJECT; and shall take all necessary steps to qualify for Federal Aid such costs of acquisition of rights of way, construction, and reconstruction, including cost of surveys, design, construction engineering, and inspection for the PROJECT as deemed appropriate. The DEPARTMENT may elect not to apply for Federal Aid for portions of the PROJECT COST.

16. In connection with the performance of PROJECT work under this contract the parties hereto (hereinafter in Appendix "A" referred to as the "contractor") agree to comply with the State of Michigan provisions for "Prohibition of Discrimination in State Contracts", as set forth in Appendix A, attached hereto and made a part hereof. The parties further covenant that they will comply with the Civil Rights Acts of 1964, being P.L. 88-352, 78 Stat. 241, as amended, being Title 42 U.S.C. Sections 1971, 1975a-1975d, and 2000a-2000h-6 and the Regulations of the United States Department of Transportation (49 C.F.R. Part 21) issued pursuant to said Act, including Appendix "B", attached hereto and made a part hereof, and will require similar covenants on the part of any contractor or subcontractor employed in the performance of this contract. The parties will carry out the applicable requirements of the DEPARTMENT'S Disadvantaged Business Enterprise (DBE) program and 49 CFR, Part 26, including, but not limited to, those requirements set forth in Appendix C.

**APPENDIX A**  
**PROHIBITION OF DISCRIMINATION IN STATE CONTRACTS**

In connection with the performance of work under this contract; the contractor agrees as follows:

1. In accordance with Public Act 453 of 1976 (Elliott-Larsen Civil Rights Act), the contractor shall not discriminate against an employee or applicant for employment with respect to hire, tenure, treatment, terms, conditions, or privileges of employment or a matter directly or indirectly related to employment because of race, color, religion, national origin, age, sex, height, weight, or marital status. A breach of this covenant will be regarded as a material breach of this contract. Further, in accordance with Public Act 220 of 1976 (Persons with Disabilities Civil Rights Act), as amended by Public Act 478 of 1980, the contractor shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment or a matter directly or indirectly related to employment because of a disability that is unrelated to the individual's ability to perform the duties of a particular job or position. A breach of the above covenants will be regarded as a material breach of this contract.
2. The contractor hereby agrees that any and all subcontracts to this contract, whereby a portion of the work set forth in this contract is to be performed, shall contain a covenant the same as hereinabove set forth in Section 1 of this Appendix.
3. The contractor will take affirmative action to ensure that applicants for employment and employees are treated without regard to their race, color, religion, national origin, age, sex, height, weight, marital status, or any disability that is unrelated to the individual's ability to perform the duties of a particular job or position. Such action shall include, but not be limited to, the following: employment; treatment; upgrading; demotion or transfer; recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
4. The contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, age, sex, height, weight, marital status, or disability that is unrelated to the individual's ability to perform the duties of a particular job or position.
5. The contractor or its collective bargaining representative shall send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding a notice advising such labor union or workers' representative of the contractor's commitments under this Appendix.
6. The contractor shall comply with all relevant published rules, regulations, directives, and orders of the Michigan Civil Rights Commission that may be in effect prior to the taking of bids for any individual state project.

7. The contractor shall furnish and file compliance reports within such time and upon such forms as provided by the Michigan Civil Rights Commission; said forms may also elicit information as to the practices, policies, program, and employment statistics of each subcontractor, as well as the contractor itself, and said contractor shall permit access to the contractor's books, records, and accounts by the Michigan Civil Rights Commission and/or its agent for the purposes of investigation to ascertain compliance under this contract and relevant rules, regulations, and orders of the Michigan Civil Rights Commission.
8. In the event that the Michigan Civil Rights Commission finds, after a hearing held pursuant to its rules, that a contractor has not complied with the contractual obligations under this contract, the Michigan Civil Rights Commission may, as a part of its order based upon such findings, certify said findings to the State Administrative Board of the State of Michigan, which State Administrative Board may order the cancellation of the contract found to have been violated and/or declare the contractor ineligible for future contracts with the state and its political and civil subdivisions, departments, and officers, including the governing boards of institutions of higher education, until the contractor complies with said order of the Michigan Civil Rights Commission. Notice of said declaration of future ineligibility may be given to any or all of the persons with whom the contractor is declared ineligible to contract as a contracting party in future contracts. In any case before the Michigan Civil Rights Commission in which cancellation of an existing contract is a possibility, the contracting agency shall be notified of such possible remedy and shall be given the option by the Michigan Civil Rights Commission to participate in such proceedings.
9. The contractor shall include or incorporate by reference, the provisions of the foregoing paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Michigan Civil Rights Commission; all subcontracts and purchase orders will also state that said provisions will be binding upon each subcontractor or supplier.

5. **Sanctions for Noncompliance:** In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, the Department shall impose such contract sanctions as it or the USDOT may determine to be appropriate, including, but not limited to, the following:
  - a. Withholding payments to the contractor until the contractor complies; and/or
  - b. Canceling, terminating, or suspending the contract, in whole or in part.

6. **Incorporation of Provisions:** The contractor shall include the provisions of Sections (1) through (6) in every subcontract, including procurement of material and leases of equipment, unless exempt by the Regulations or directives issued pursuant thereto. In addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
