# FISCAL YEAR 2010

## 3rd QUARTER PROPOSED BUDGET AMENDMENT

### Overview

---

#### **Revenue, Expenditure, and Fund Balance Impact:**

The FY 2010 3rd Quarter Budget Amendment proposes an increase in total revenues of \$14,472,220 and an increase in total expenditures of \$14,911,900. The net increase in revenues less the increase in expenditures will increase the draw from fund balance by \$439,680.

### Summary by Fund

---

#### **101 - General Fund**

General Fund revenues are proposed to decrease by (\$353,660) due to:

- Increase of \$90,000 in Licenses & Permits – Cable due to recognition of full 1% of PEG Fees.
- Decrease of (\$296,520) in Inter-fund Charges due to FY 2009 Administrative Look back “true-up” credits.
- Decrease of (\$147,140) in Transfers-In from the Retiree Healthcare Trust Fund for Implicit Rate healthcare reimbursement.

General Fund expenditures are proposed to decrease by (\$313,090) due to:

- Increase of \$90,000 in Professional Services to recognize the other 1/2 of the 1% PEG Fees that are not transferred to the City’s CIF for Media related capital improvements.
- Decrease of (\$318,920) in Inter-fund Charges due to FY 2009 MIS and Facility Inter-fund “true-up” credits.
- Decrease of (\$60,000) in Health Insurance charges due to reclassifying the supplemental payment program to the Retiree Healthcare Trust Fund (736).
- Decrease of (\$24,170) in Transfers-Out to the Special Police (207) and Facilities Funds (631) due to FY 2009 MIS and Facility Inter-fund “true-up” credits.

The net decrease in revenues less the decrease in expenditures will draw \$22,200 from fund balance, whereas before the 3<sup>rd</sup> quarter amendment \$18,370 was projected to be contributed into General Fund Balance.

#### **202 - Major Road Fund**

Major Road revenues are proposed to increase by \$305,000 due to:

- Increase of \$305,000 in Grant revenue from the receipt of a COPS grant for Radar Speed signs.

Major Road expenditures are proposed to decrease by (\$1,760) due to:

- Increase of \$181,830 in Transfers-Out to the LDFA Fund (848) due to transferring-back funding for the remaining project balance contributed by the LDFA Fund to the Major Road Fund for the Austin Drive Extension project (MR-10).
- Decrease of (\$12,930) in Inter-fund Charges due to FY 2009 Administrative, MIS, and Facility Inter-fund “true-up” credits.
- Increase of \$305,000 in Professional Services due to the purchase of Radar Speed signs (offset with grant revenue) (per Legislative File # 2010-0319).
- Decrease of (\$475,660) in Capital / Construction due to the final project close-out from RCOC for the Crooks Boulevard [South Blvd – M-59] project (MR-01 B&C).
  - The City had anticipated higher final costs for the road-portion of this project which came in under projections.

|  | <b>Major Roads Capital Project Change Summary</b> | <b>\$ -</b>            | <b>\$ (475,660)</b> | <b>\$ (475,660)</b>    |

The net increase in revenues less the decrease in expenditures will reduce the draw from fund balance by (\$306,760).

#### Reclassification Notes:

*The following project(s) have reclassifications presented, as the project(s) are officially moving forward and it is appropriate to capitalize these Professional Services / Engineering funds:*

- \$75,000      MR-09B: Technology Drive Extension [Adams Road Connection]

#### **203 - Local Street Fund**

Local Street expenditures are proposed to decrease by (\$89,480) due to:

- Decrease of (\$89,480) in Inter-fund Charges due to FY 2009 Administrative, MIS, and Facility Inter-fund “true-up” credits.

The net decrease in expenditures will increase the contribution into fund balance by \$89,480.

#### **206 - Fire Fund**

Fire Fund revenues are proposed to decrease by (\$66,700) due to:

- Decrease of (\$45,000) in Inter-fund Charges due to no longer providing dispatching services to Water and Sewer Fund.
- Decrease of (\$16,500) in Service Charges to Oakland Twp. due to no longer providing dispatching services.
- Decrease of (\$5,200) in Transfers-In from the Retiree Healthcare Trust Fund for Implicit Rate healthcare reimbursement.

Fire Fund expenditures are proposed to decrease by (\$34,800) due to:

- Decrease of (\$34,800) in Inter-fund Charges due to FY 2009 Administrative, MIS, and Facility Inter-fund “true-up” credits.

The net decrease in revenues less the decrease in expenditures will reduce the contribution into fund balance by \$31,900.

*Note: Additional Budget Amendments will be forthcoming (4<sup>th</sup> Qtr Budget Amendments) to decrease the Personnel Services accounts for the Fire – Dispatch division when final costs are better known.*

#### **207 - Special Police Fund**

Special Police revenues are proposed to decrease by (\$7,490) due to:

- Decrease of (\$7,490) in Transfers-In from the General Fund due to lower operational subsidy needed.

Special Police expenditures are proposed to decrease by (\$7,490) due to:

- Decrease of (\$7,490) in Inter-fund Charges due to FY 2009 Administrative, MIS, and Facility Inter-fund “true-up” credits.

The net decrease in revenues less the decrease in expenditures has no impact to fund balance.

## **FISCAL YEAR 2010**

### **3rd QUARTER PROPOSED BUDGET AMENDMENT**

#### **214 - Pathway Maintenance Fund**

Pathway Maintenance expenditures are proposed to change due to:

- Decrease of (\$51,320) in Inter-fund Charges due to FY 2009 Administrative, MIS, and Facility Inter-fund “true-up” credits.
- Increase of \$51,320 in Transfers-Out to the Pathway Construction Fund (403) to balance the Pathway Maintenance Fund (214).

There is no impact to fund balance.

#### **244 - Drain Maintenance Fund**

Drain Maintenance revenues are proposed to decrease by (\$115,000) due to:

- Decrease of (\$95,000) in Grant revenue due to not receiving a grant for the Clinton River Channel Restoration project (SW-08B)
- Decrease of (\$20,000) in Grant revenue due to not receiving a grant for the Karas Creek Bank Stabilization project (SW-03B)

Drain Maintenance expenditures are proposed to decrease by (\$51,890) due to:

- Decrease of (\$40,000) in Professional Services due to the deletion of the Karas Creek Bank Stabilization project (SW-03B).
- Decrease of (\$11,890) in Inter-fund Charges due to FY 2009 Administrative, MIS, and Facility Inter-fund “true-up” credits.

The net decrease in revenues less the decrease in expenditures will increase the draw from fund balance by \$63,110.

#### **Reclassification Notes:**

*The following project(s) have reclassifications presented as the project(s) are officially moving forward and it is appropriate to capitalize these Professional Services / Engineering funds*

- \$47,520            SW-08B: Clinton River Channel Restoration

#### **299 - Green Space Fund**

Green Space expenditures are proposed to increase by \$510,000 due to:

- Increase of \$510,000 in Capital / Land Acquisition due to the City’s 50% match for acquiring approximately 39.31 acres at Sheldon and Mead Roads (per Legislative File # 2009-0247).

The net increase in expenditures will reduce the amount of funding contributed into fund balance by (\$510,000).

#### **368 - OPC Building Debt Fund**

The OPC Building Debt Fund (368) is to be closed and all remaining monies held in the fund are to be transferred or swept to the newly established OPC Building Refunding Debt Fund (Fund 369).

OPC Building Debt Fund revenues are proposed to increase by \$1,150 due to:

- Increase of \$1,150 in Tax Revenues due to additional tax revenue generated.

OPC Building Debt Fund expenditures are proposed to increase by \$137,710 due to:

- Increase of \$740 in Tax Tribunals due to actual settlements.
- Decrease of (\$318,150) in Interest Payments due to refunding this debt issue.
- Increase of \$149,000 in Escrow Agent Financing due to refunding this debt issue.
- Increase of \$306,120 in Transfers-Out to the OPC Building Refunding Debt Fund (369) due to closing this fund (368) and sweeping all remaining fund balances to the newly created fund (369).

## **FISCAL YEAR 2010**

### **3rd QUARTER PROPOSED BUDGET AMENDMENT**

The net increase in revenues less the increase in expenditures will draw all remaining funds of \$136,560 from fund balance and will close this fund.

#### **369 – OPC Building Refunding Debt Fund**

OPC Building Refunding Debt Fund revenues are proposed to increase by \$7,320,060 due to:

- Increase of \$7,013,840 in Bond Proceeds/premiums due to the refunding debt issue.
- Increase of \$100 in Interest Revenue
- Increase of \$306,120 in Transfers-In from the OPC Building Fund (368) due to closing the old fund.

OPC Building Refunding Debt Fund expenditures are proposed to increase by \$7,011,110 due to:

- Increase of \$7,010,110 in Escrow and Debt Issuance/Underwriting expenditures due to the refunding debt issue.
- Increase of \$1,000 in Tax Tribunals due to potential settlements.

The net increase in revenues less the increase in expenditures will contribute \$308,950 into fund balance.

#### **370 - Municipal Building Debt Fund**

Municipal Building Debt Fund revenues are proposed to decrease by (\$150,240) due to:

- Decrease of (\$470) in Interest Revenue as interest rates were lower than anticipated
- Decrease of (\$149,770) in Transfers-In from the Facilities Fund (631) due to lower interest payments associated with this debt issue being refunded.

Municipal Building Debt Fund expenditures are proposed to decrease by (\$150,240) due to:

- Decrease of (\$150,240) in Interest Payments as this debt issue has been refunded.

The net decrease in revenues less the decrease in expenditures has no impact to fund balance.

*Note: There is still one (1) debt service payment to be made in FY 2011 related to this 370-Debt issue, which is why this debt service fund is not being closed-out at this time.*

#### **393 - Municipal Building Refunding Debt Fund**

Municipal Building Refunding Debt Fund revenues are proposed to increase by \$7,031,890 due to:

- Increase of \$6,970,820 in bond Proceeds/Premiums due to the refunding debt issue.
- Increase of \$61,070 in Transfers-In from the Facilities Fund (631) to cover FY 2010 upcoming debt service payments on this debt issue.

Municipal Building Refunding Debt Fund expenditures are proposed to increase by \$7,027,480 due to:

- Increase of \$6,966,410 in Escrow and Debt Issuance/Underwriting expenditures due to the refunding debt issue.
- Increase of \$61,070 in Interest Payments due to the refunding debt issue.

The net increase in revenues less the increase in expenditures will contribute \$4,410 into fund balance.

#### **402 - Fire Capital Fund**

Fire Capital Fund expenditures are proposed to decrease by (\$40,000) due to:

- Decrease of (\$40,000) in Capital / Building Improvements due to the elimination of the Fire Capital Fund's share (50%) of the Communications Center / Telephone Upgrade Project with the elimination of Dispatch operations.

The net decrease in revenues less the decrease in expenses will increase the draw from retained earnings by \$58,280.

#### Reclassification Notes:

*The following project(s) have reclassifications presented as the project(s) do not meet the City's capitalization requirements.*

- \$36,000 FA-01G: LED Lighting Upgrade
- \$20,000 City Hall Security System Upgrade

#### 636 - MIS Fund

MIS Fund revenues are proposed to decrease by (\$403,150) due to:

- Decrease of (\$403,150) in Inter-fund Charges due to FY 2009 MIS Inter-fund Charge "true-up" credits to individual user departments due to deferred replacements which lowers depreciation costs and reductions in software maintenance costs.

MIS Fund expenses are proposed to decrease by (\$26,530) due to:

- Decrease of (\$26,530) in Inter-fund Charges due to FY 2009 Administrative and Facility Inter-fund "true-up" credits.

The net decrease in revenues less the decrease in expenses will increase the draw from retained earnings by \$376,620.

#### 661 - Fleet Fund

Fleet Fund expenses are proposed to decrease by (\$99,310) due to:

- Decrease of (\$49,510) in Inter-fund Charges due to FY 2009 Administrative, MIS, and Facility Inter-fund "true-up" credits.
- Decrease of (\$10,160) in Capital / Equipment due to the deletion of an Easement Machine purchase.
- Net decrease of (\$39,640) in Capital / Equipment due to the actual lower purchase price of a Front-End Loader.
  - Item is to be reclassified from Vehicles account (661.981000) to Equipment account (661.977000).

The net decrease in expenses will decrease the draw from retained earnings by (\$99,310).

**FISCAL YEAR 2010**  
**3rd QUARTER PROPOSED BUDGET AMENDMENT**

**736 - Retiree Healthcare Trust Fund**

Retiree Healthcare Trust Fund expenditures are proposed to decrease by (\$94,000) due to:

- Increase of \$65,000 in Health Insurance charges due to reclassifying supplemental healthcare contributions out of this fund (736) rather than from the Retiree Healthcare Cost Center (852) in the General Fund (101).
- Decrease of (\$159,000) in Transfers-Out to the General Fund, Fire Fund, and W&S Funds due to a reduction in implicit rate healthcare reimbursements.

The net decrease in expenditures will now contribute \$70,420 into fund balance, whereas before \$23,580 was budgeted to be drawn from fund balance.

**848 - LDFA Fund**

LDFA Fund revenues are proposed to increase by \$203,250 due to:

- Increase of \$203,250 in Transfers-In from the Major Road Fund (202) and W&S Capital Fund (593) due to transferring back the remaining project balances contributed by the LDFA Fund for the Austin Drive Roadway and Water Main Extension projects (MR-10 / WS-10).

The net increase in revenues will contribute an additional \$203,250 into fund balance.
