

# **COMMUNITY DEVELOPMENT BLOCK GRANT RECAPTURE & REALLOCATION POLICY**

**(Oakland County Board of Commissioners Resolution #99209 8/19/99)**

## **COMMUNITIES MAY:**

- Retain 2010 and 2009 program year funds, and
- Request a waiver for unobligated 2008 funds

## **FUNDS AT RISK OF RECAPTURE:**

- All unobligated funds older than 2008

**Note: Reprogramming funds will not protect them from recapture. A contractual obligation is required to protect funds.**

## **WAIVER**

Funds from 2008 that are not under contract by December 31, 2010 may be protected through 2011. A waiver request (see attached) and a legislative resolution (see attached sample) must be submitted by **December 17, 2010** for each 2008 line item you wish to protect. If Community & Home Improvement denies a waiver, a community may appeal the decision through the Citizens Advisory Council.

## **ALLOCATION OF RECAPTURED CDBG FUNDS**

Recaptured funds will be allocated to qualified communities meeting the following criteria:

- Did not have any funds recaptured in the current recapture process; and
- Undisbursed CDBG funds did not exceed 1.5 times the PY 2010 allocation on 12/31/10
- Recaptured funds will be allocated to qualifying communities through a project application process by mid-June 2011 on a pro rata basis using the current CDBG allocation formula criteria
