Pat Somerville, Mayor
City of Rochester Hills
1000 Rochester Hills Drive
Rochester Hills, MI 48309

Dear Pat,

I regrettably must resign from my position as the Rochester Hills resident representative on the Paint Creek Trailways Commission.

Please accept this letter of resignation, effective March 1, 2004. This will allow me to represent the City of Rochester Hills for the February meeting (February 17), and also allow time to install a replacement for my position.

I have informed Rock Blanchard, Paint Creek Trailways Commission Chairman, and Dick Stinson, Rochester Hills Alternate, of my decision.

My decision is due to the time demands of other civic and volunteer duties. Most notably, the Clinton River Trail which is entering into a very active stage of its development with a significant amount of construction and related activities scheduled for this calendar year. I feel that I can best serve the City of Rochester Hills by devoting more time and attention to this emerging community asset through the Friends of Clinton River Trail and the Clinton River Trail Coordinating Committee.

I pledge to make myself available to the Commission on a continuing basis for anything needed that would benefit the Paint Creek Trail and all efforts to enhance the area's trail network.

I have very much enjoyed my time serving on the Paint Creek Trailways Commission. I hope that I have helped to advance the use and benefits of this one-of-a-kind community asset for the Paint Creek Trailways Commission, its communities and all trail users.

Sincerely,

Dan Keifer
