Legislative File No: 2011-0158

TO: Mayor and City Council Members

FROM: Bob Grace, MIS - 841.2477

DATE: April 4, 2011

SUBJECT: Greater Rochester Area Relay For Life

REQUEST:

The Greater Rochester Area Relay For Life is a 24 hour fundraising event for the American Cancer Society. The City of Rochester Hills has been an active participant for the past several years. This year's event is at Hart Middle School, beginning at 9am Saturday the 25th of June and ending at 9am Sunday the 26th of June. This event is open to the public and everyone is welcome to stop in and see what all the excitement is all about. Information about the Greater Rochester Area Relay For Life can be found at www.relayforlife.org/rochestermi

This year The Greater Rochester Area Relay For Life and the American Cancer Society are hoping to get people to sign up for a long term study. Past American Cancer Society studies have helped to link tobacco use, air pollution and nutrition to your risk of getting cancer. In order to participate in the study you must be between the ages of 30 – 65, have no previous history of cancer, and be willing to fill out a survey every couple of years. Sign up for the study will be at The Greater Rochester Area Relay For Life event between the hours of 4pm and 8pm. At the relay you will be asked to fill out a brief survey, give a waist measurement and provide a small sample of blood (36ml or 7 teaspoons). Come on out and help in the fight against cancer.

BACKGROUND:

Employees of the City of Rochester Hills have been active participants for the past 5 to 10 years.
