Do you cut grass wet or raining? Explain:		No, unless an area needs to be completed or if it is a very light drizzle.		We try not to only if absolutely necessary or requested by the customer.		Want to ensure a safe environment for employees and clients both & does not mow grass when wet or raining.		No, service will delay until grass is dry.		We may cut grass when it is lightly raining but beyond that we don't do it as there is too much potential for turf damage from tires.		We recommend and prefer to cut when dry; however, we are capable to cut when wet if the City desires so. We shall not cut in any dangerous situations however.		We will not cut when raining or when grass is wet.
