

In Memoriam

Owen Winnie 1933-2012

A stalwart advocate of community planning, and a long time member of the Michigan Association of Planning, Owen passed away on April 19, 2012 at his home in Rochester Hills. He is survived by his wife Carolyn, their two children Colleen and Sean, and a number of grandchildren. He was 78 years old.

Owen's wisdom, quiet presence, and skillful experience will be sorely missed in our planning community.
