---

**Legislative File No:** 2009-0242

**TO:** Mayor and City Council Members

**FROM:** Roger Rouse, Director, Department of Public Services

**DATE:** June 18, 2009

**SUBJECT:** A proposed amendment to Chapter 102, Utilities, of the Code of Ordinance, of the City of Rochester Hills, Oakland County, Michigan.  
City File No. E09-053

---

**REQUEST:**

City Council is requested to approve the first reading to adopt an amendment to the Wastewater Discharge Control Ordinance. The amendment incorporates changes by the Detroit Water & Sewerage Department and implements various amendments to the Code of Federal Regulations.

**BACKGROUND:**

The City of Rochester Hills is required under the delegation agreement with the City of Detroit to maintain a Wastewater Discharge Control Ordinance that is as stringent as, or more stringent than, the City of Detroit Waste Wastewater Discharge Control Ordinance.

The City of Detroit has modified its Wastewater Discharge Control Ordinance in response to changes required by the Michigan Department of Environmental Quality and the U.S. Environmental Protection Agency. This ordinance version includes modifications to the local pollutant limitations and requirements, definitions and related sections of the code.

**RECOMMENDATION:**

The Department of Public Services requests approval of the first reading of the amendment to the Wastewater Discharge Control Ordinance.
