Legislative File No: 2011-0461

TO: Mayor and City Council Members
FROM: Leanne Scott, City Council Coordinator
DATE: January 18, 2012
SUBJECT: Historic Districts Study Committee Citizen Representative Appointment

REQUEST:

To provide City Council Members with information for the nomination of four (4) Citizen Representatives to the Historic Districts Study Committee for two-year terms to expire December 31, 2013 and one (1) Citizen Representative to the Historic Districts Study Committee to fill the unexpired term of Murray Woolf ending December 31, 2012.

BACKGROUND:

At their Regular Meeting of December 5, 2011, City Council postponed filling these vacancies pending a recommendation from the Historic Districts Commission (HDC) as to which of their members would also like to serve on the HDSC. The HDC members expressing an interest in serving on the HDSC are Steven Branstner, Sue Thomasson (whose recent term on the HDSC expired December 31, 2011), and Jason Thompson who currently serves on both the HDC and the HDSC (his term expires December 31, 2012).

Other current Citizen Representatives, James Hannick, Dr. Richard Stamps and LaVere Webster, whose terms expired December 31, 2011, were contacted to determine their interest. Mr. Hannick and Mr. Webster expressed an interest in serving for another term. Dr. Richard Stamps indicated that he would not be able to serve another term on the HDSC at this time.

Other residents whose Candidate Questionnaires are on file with the Clerk's office who have indicated interest in the Historic Districts Study Committee include the following:

Mr. Don Booth
Mr. Christopher Cobb
Ms. Julie Granthen
Mr. Luke Wylie

Mr. William Cockey requested that his Candidate Questionnaire be removed from consideration.

Please refer to the memo which outlines the special membership requirements.

RECOMMENDATION:

For City Council to fill four (4) two-year terms to the Historic Districts Study Committee that will expire December 31, 2013 and to fill Murray Woolf's term to expire December 31, 2012.
