RE: Public Safety Meeting 11/8/04

In addition to discussing Full Time and Paid-on-Call Firefighter staffing concerns, the Committee may also be discussing File #2004-0761 - Emergency Medical Technician (EMT) Hiring. Attached are documents to aid in that discussion:

- Special Revenue Funds - 206 - Fire Department (pages 183 - 186, 199, 200)
- Fiscal Team memo dated 9/03/04 - Budget Issues
- Fiscal Team memo dated 9/20/04 - FTFF - Salary & Benefits
- Fiscal Team reports dated 9/22/04 - Pay Type Report 2003 and 2004 thru 9/10/04

Also attached is the Master Report that shows previous discussion and a recommendation from the Public Safety Meeting on 9/13/04 to City Council. However, City Council did not approve that recommendation.
