Legislative File No: 2022-0020

TO: Mayor and City Council Members
FROM: Ken Elwert, Director of Parks and Natural Resources
DATE: February 7, 2022
SUBJECT: 2022 Street Tree Planting

REQUEST:

City Council is requested to authorize a blanket purchase order/contract for 2022 Street Tree Planting to Michigan Lawn Maintenance, Inc., dba Sherman Nursery Farms, Columbus, Michigan in the amount not-to-exceed \$185,000.00.

REASON FOR PURCHASE:

Request for Proposals were solicited utilizing the MITN system in 2019 and award was issued to Michigan Lawn Maintenance, Inc. dba Sherman Nursery Farms. The contract called for a one (1) year contract term with four (4) 1-year renewal options. The City wishes to exercise the second renewal option of the contract. Michigan Lawn Maintenance, Inc. dba Sherman Nursery Farms has agreed to hold past pricing and renew for an additional one-year period. Four proposal responses were received and evaluated by the Natural Resources division. Michigan Lawn Maintenance, Inc. dba Sherman Nursery Farms was selected as offering the best value for the City, based on source of plant stock, ability to offer the most variety of trees for purchase and qualifications of personnel.

The Natural Resources Division contracts for the planting of trees along City roads, in parks and at other facilities. There are two separate planting programs that are currently in effect through our city tree fund: the "Subdivision Tree Planting Program" and the "City Sponsored Tree Planting Program"

The Subdivision Tree Planting Program began in 1979, after adoption of the Subdivision Control Ordinance requiring developers of all new subdivisions to provide funds for one street tree to be planted by the City in the right-of-way of each new home. Funds for this program are held by the City in an escrow account until the new homes are completed and occupied. The Forestry Division then includes those properties in a forthcoming planting project.

The City Sponsored Tree Planting Program or "Free Street Tree Program" was initiated in 2015. This program makes trees available at no cost to residents for approved planting sites along any public roadway. Forestry staff work with property owners to determine the tree locations(s) within the City's Street Tree Ordinance guidelines. Tree Fund revenues are generated from payments by developers and builders in lieu of planting replacements for regulated trees removed (or damaged) during construction.

PROCESS:

Vendor Name and Address:

Michigan Lawn Maintenance, Inc.
Dba Sherman Nursery Farms
2200 Mayer Road
Columbus, MI 48063

Reason for Selection:

Best Value
