RE: New and Improved Website

As the Clerk's Department's representative on the Communication Champions Committee, I have been tasked to update our portion of the City's website. To that end, I have attached a brief biographical survey for each Council member to complete to be used to provide more detailed information, in addition to your picture and contact information, on the Council's web page.

The survey enclosed is merely a guideline. Feel free to provide any information you wish to be included as part of your "biographical sketch."

If you have any questions, please feel free to contact me.

Thank you.
