The easement shall be irrevocable and non-exclusive, and Grantor and Grantor's successors and assigns may use and enjoy the easement area in common with the City.

Grantor expressly reserves to Grantor and Grantor's successors and assigns, so long as there is no interference with the construction, operation, maintenance, repair and/or replacement of the watermain: (a) the right of ingress and egress over, through and across the easement, and (b) the right to grant other non-exclusive easements and rights-of-way across, over, under and through the easement parcel, with the condition that prior to such a grant written consent shall be obtained from the City.
