Re: Charitable Gambling License Application

The Clinton River Watershed Council is a 501(c)(3) whose mission is to “Protect, enhance and celebrate the Clinton River, its watershed, and Lake St. Clair for the benefit of communities, the environment and our future”. As a non-profit organization we are always looking for sources of funding. Fundraising is important to maintaining or increasing our budget in order to fulfill our mission to the benefit of the communities.

As such, we would like to function with a charitable gambling license in order to offer raffles at our events. We are currently limited in including spontaneous donations through raffles.

We would benefit if we were able to include raffles in our events such as our Zoo Walk – Walk On the Wildside at the Detroit Zoo, Crafts-On-The-Clinton at Yates Cider Mill, CRWC Annual Meeting, and maybe various small events, such as Winter Walks, Yoga By the River, etc.

If there are additional information that you need please contact me at 248-601-0606 or cell phone 248-732-9015.

Sincerely,

Susan D. Kelsey
