Legislative File No: 2005-0549

TO: Mayor and City Council Members
FROM: Melinda Hill, City Council President
DATE: August 12, 2005
SUBJECT: Request to create Green Space Advisory Board

Paul Funk, Chairperson of the Open Space Preservation Ad Hoc Committee, has submitted a request to Council on behalf of the Committee requesting Council consider the creation of a Green Space Advisory Board upon the passage of the *“Millage Proposal to Provide Funding to Permanently Preserve Green Spaces and Natural Features with the City of Rochester Hills”*. Mr. Funk’s email is attached outlining his position. If Council determines it would like to support the idea of a Green Space Advisory Board a resolution has been provided for your consideration.

The parameters of the Board, including purpose, composition, and other such issues will be determined at the time the Board would be established. The resolution in the packet is only indicating that if the Millage proposal passes, Council will establish the Board.

As always, if you have any questions or concerns, please feel free to contact me.
