TO: AIS Committee Members

RE: Papa Joe's Liquor License
Request

On July 13, 2004 the AIS Committee (minutes attached) discussed the request of Papa Joe's for three (3) liquor licenses for their new development in Rochester Hills. The Committee chose not to refer this issue on to City Council for approval.

Papa Joe's has since amended their request to one (1) Liquor License for their new development.

(Additional information may be provided in handout form at the meeting.)
