**Legislative File No: 2005-0810**

**TO:** Mayor and City Council Members  
**FROM:** Ed Anzek, Planning and Development Department  
**DATE:** November 28, 2005  
**SUBJECT:** Acceptance of the Possession and Use Agreement for Adams Road Parcel 12

---

**REQUEST:**

Acquisition of Adams Road right-of-way property.

**BACKGROUND:**

Attached is an accepted Possession and Use Agreement for Parcel known as Number 12. This parcel is owned by James and Beverley Barton and is the third parcel north of the Clinton River Trail. The Possession and Use Agreement is a legal instrument providing the City control of the parcel. This is part of the City's efforts to obtain necessary right-of-way in conjunction with the Adams Road relocation project. The parcel is identified on the attached map as Parcel 12. The cost agreed to (\$24,498.36) is the amount of the appraisal, interest, a temporary construction maintenance easement and property tax proration.

The procedures for land acquisition do not fall under the auspices of our Purchase Ordinance. As such there is no fiscal analysis done by Ms. Farris or her staff. Secondly, the source of funds for these acquisitions is budgeted in the LDFA on line 848-93000, Land – ROW. The 2005 budget placed \$522,330 in this line. Because of successful negotiations earlier this year we have exceeded the budgeted amount for this year. However, adequate monies are available in the LDFA Fund balance and a Budget Amendment will be forthcoming in December to cover these costs.

**RECOMMENDATION:**

Approve the accompanying Resolution authorizing the City to issue payment in accordance with the procedures of the Possession and Use Agreement, there by granting to the City the right of use of this land.
