RE: Multiple Appointments - PC

As a result of our conversation on Monday, December 11, 2006, regarding the Municipal Planning (Excerpt) Act 285 of 1931, I have spoken with Ms. Kathleen Hardenburg, a Planning Commissioner. This Act bars a Planning Commissioner from appointment to other municipal offices (excepting the ZBA and Joint Fire Admin. Board).

The discussion was in light of the pending Council confirmation of Ms. Hardenburg to serve as the Planning Commission representative to the City's Brownfield Redevelopment Authority.

Ms. Hardenburg expressed her continued support for the efforts of the BRA and hopes to participate as an observer but advised that she prefers to remain as a Planning Commissioner and regrettably relinquishes her pending appointment to the BRA. This confirmation was scheduled for the City Council Meeting of December 13, 2006.
