Legislative File No: 2023-0025

**TO:** Mayor and City Council Members  
**FROM:** Bill Fritz, P. E., Director of Public Services  
**DATE:** February 6, 2023  
**SUBJECT:** Adoption of a Street Resolution – Basil Drive and Sage Lane (Saddlebrook Orchards)

**REQUEST:**

Adoption of a street resolution to place 951 feet of recently constructed public roadway within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.

**BACKGROUND:**

The resolution is to add two new roads totaling 951 feet of recently constructed public roadway in Section 28 of Rochester Hills. This is part of the Saddlebrook Orchards residential development project.

The State of Michigan requires that a street resolution be adopted by the governing body in order to place a public street into the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951 (as amended). In 1999, the State initiated that all public streets, including those within platted subdivisions and condominium subdivisions, must have an adopted street resolution by the jurisdictional road agency.

A certified street resolution will need to be returned to the Michigan Department of Transportation (MDOT), accompanied with City Mileage Certification, Act 51 Reports. Upon City Council approval, please provide a certified resolution so we may include the resolution within our next ACT 51 City Mileage Certification Report.

**RECOMMENDATION:**

The Department of Public Services recommends adoption of this resolution to place newly constructed Basil Drive and Sage Lane within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.
