Legislative File No: 2022-0443

TO: Mayor and City Council Members
FROM: Bill Fritz, P.E., Director - Department of Public Services
DATE: October 10, 2022
SUBJECT: DTE Energy Street Light Agreement for Street Light at Sheldon near Clear Creek

REQUEST:

The Department of Public Services requests City Council to approve the Standard Agreement for Municipal Street Lighting (Agreement) between the City of Rochester Hills (Customer) and the Detroit Edison Company (Company) for the installation of one (1) municipal street light on a fiberglass post at the crosswalk near the intersection of Sheldon Road and Clear Creek Drive. Furthermore, we request that City Council authorize the Mayor to execute the Agreement on behalf of the City.

REASON FOR PURCHASE:

This lighting is being installed to improve public lighting for low light visibility for pedestrian traffic utilizing this crosswalk. The work consists of installation of one underground fed 136 Watt LED streetlight on a 30 foot fiberglass pole. Installation costs have been estimated at \$4,114.18, less a 3 year revenue credit of \$991.44. This leaves a final expected cost of \$3,122.74. Annual operating costs are \$330.48 billed monthly at approximate \$27.54 per month.

We ask that City Council authorize the installation and operating costs for this public lighting improvement.
