

To whom it may concern,

We are applying for small distillers license through the TTB and MLCC. We have already been approved through the TTB and have gone through the investigation process with the MLCC and are waiting on Commission approval. My wife is currently a partner in Bitter Toms restaurant in Lake Orion which holds a Class C liquor license. As part of the small distillers license regulations under the guidelines of the TTB, we are allowed to direct sell our spirits and do on-site tastings of our spirits. These previous items are what we are applying for as a conditional use which has been unanimously approved by the planning commission. Please advise if you need further information.

Sincerely,

Tom Bosley
