

1877 Washington Road Photos

Key to Photo Locations

The numbers and arrows correspond with the location and direction of the photographs on the following pages. Note the location of proposed landscaping on the key plan below, particularly for locations 1 and 6 which will look quite different once the landscaping is installed.

1. View of south garage wall from the south driveway:

2. Current Location and Condition of Boat House

3. Current Location and Condition of Boat House

4. View of House from Rear Yard

5. View from Rear of House

6. View from south driveway entrance
