**DATE:** June 2, 2006  
**SUBJECT:** Millage Issues

---

City Council at its Wednesday, May 31, 2006 Special Work Session discussed the Pathway Millage and the Police Millage. Based on that discussion the consensus of Council was that the following recommendations to be brought back to Council for consideration at the next Regular Council Meeting:

1. To refer the Pathway Millage to the Community Development and Viability Committee (CDV) to discuss a possible companion Millage for Parks or a combined millage of Pathway and Parks.
2. To refer the Police Millage to Public Safety Committee and Financial Services Committee to review jointly and come back with a recommendation regarding the renewal of Police II millage or possibly combining the expiring millage with a general millage for Police to significantly reduce the General Fund subsidy.

Council Member Holder offers a third suggestion since all the funding is interrelated: for Council to refer all millage issues to a joint meeting of CDV, Financial Services and Public Safety.

Please bring your thoughts and ideas to the June 7<sup>th</sup> meeting so that we determine how to move forward with these important issues. If you have any questions or concerns, please feel free to contact me.
