ADDITIONAL INFORMATION

Love being involved in the community & organizing community service activities. I live just 1 street away from Ruby Green Space & discovered it via Google Maps- we could promote our green spaces more to our neighbors. Rochester Hills has the 'up north' vibe in some neighborhoods that everyone can appreciate. Would love to be able to have the residents share and appreciate all that our city has to offer. I'd love to start getting involved more with my community & this GSAB seems like a great introduction into getting involved!
