Historic District Location: (Check one)
 Stoney Creek Winkler Mill Pond Non-contiguous

For an Existing Home/Structure: Year Built: 1860-70

6/12/2009

History of site, structure(s), and building(s): _____

Description of Proposed Work: install Fence along E
Front of property. Purpose of fence
is to constrain livestock. Fence
materials composed of woven wire
field fencing, and metal T posts. May
be large wood posts used for corner posts
if feasible.

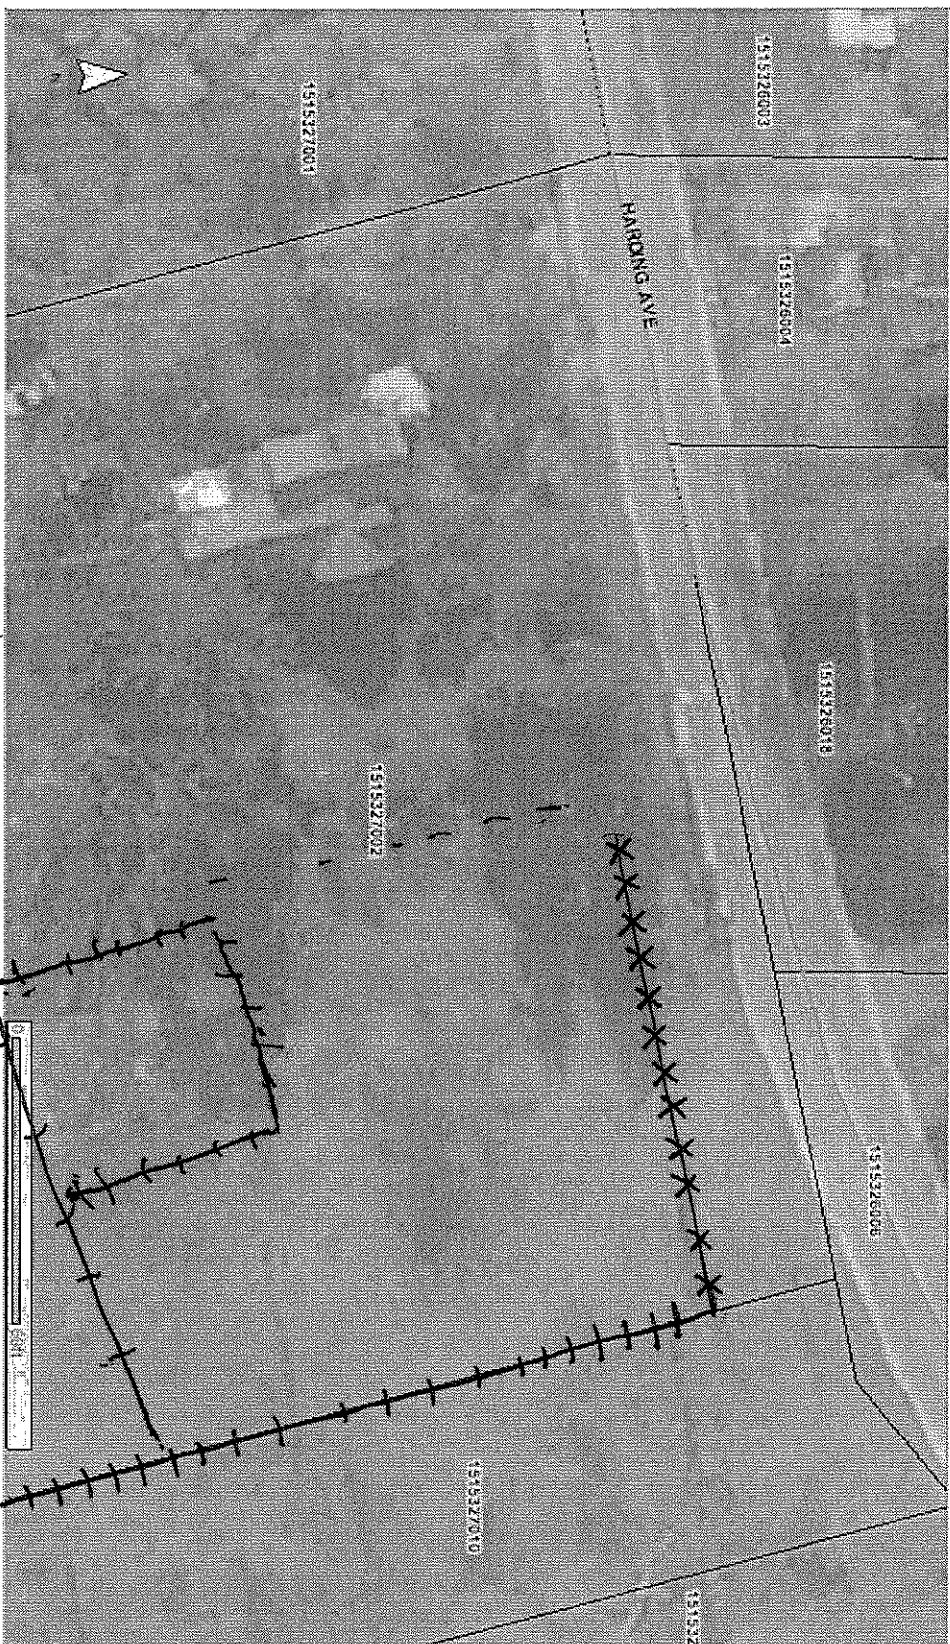

NOTE:

Applicants are required to provide the following information to the Historic Districts Commission at least three (3) weeks prior to the meeting date.

In accordance with Chapter 118, Historical Preservation, of the Code of Ordinances for the City of Rochester Hills, the following information applies:

Sec. 118-161 *Permission required.* Before construction, alteration, repair, moving or demolition affecting the exterior appearance of a structure, or the construction of a new structure or part thereof, within a Historic District, the person proposing to take such action shall apply for and obtain permission to do so from the Historic Districts Commission. Permission is required regardless of whether a building permit is required.

X New Fence

I EXISTING Fence

FENCE POSTS & TOOLS

STUDED "T" POSTS

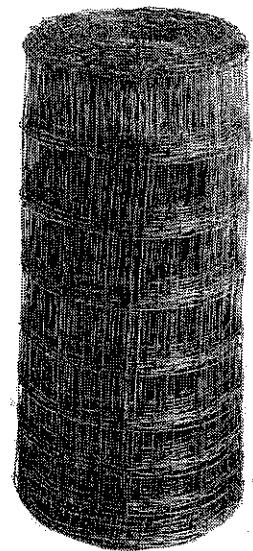

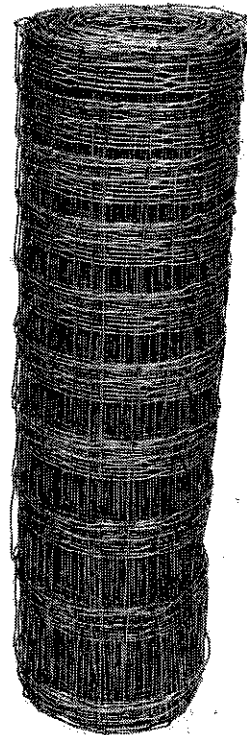

Features an angled stud that helps hold the fence against the post. The large anchor plate provides greater holding power. Posts are finished with enamel for rust resistance above and below ground.
