

CANDIDATE QUESTIONNAIRE
DEER MANAGEMENT ADVISORY COMMITTEE

NAME Erik Olson COUNCIL DISTRICT 04

DATE February 11 2009

ROCHESTER HILLS RESIDENT FOR 13 YEARS

OCCUPATION Supervisor

INTERESTS/REASONS/QUALIFICATIONS

Hunting-by definition Deer Manager. Read several Books, hundreds of Magazine Articles and watched thousands of hours of Television shows on the subject of Whitetail Deer and Wildlife Management

WHAT IS YOUR OPINION REGARDING THE 2009 DEER MANAGEMENT POLICY?

I feel that the decision to cull the Deer to help balance the herd and reduce car-deer accidents was a sound one both fiscally and logically. The combination of utilizing the Sheriff's dept to harvest the Deer for free and to donate the meat was an excellent concept, this idea not only insured the safety of any nearby residents but also provided an excellent source of Nutrition for people in need.

WHAT SOLUTIONS/SUGGESTIONS DO YOU HAVE TO OFFER FOR THE 2010 DEER MANAGEMENT POLICY?

I plan on reviewing the plans of several other municipalities, review DNR Proposals, read additional books on the subject, and continue researching the topic on the internet. I consider the original culling plan to be a solid, well thought out concept but I look forward to hearing other ideas from other board members, I plan to have an open mind to determine the best choice for Rochester Hills.
