Hi Everyone,

I know you usually handle these items. Mr. Brown's email references "contract packages" but the attachments are only one page. Should there be more. Would you like me to contact him to give him an email address for your office as well? Thanks

Subject: FY 2013 MC Contract Package

To: "lesliej@rochesterhills.org" <lesliej@rochesterhills.org>

Ms. Leslie:

The details on the Fiscal Year (FY) 2013 Municipal Credit (MC) contract have recently become available. The amounts to be provided to your entity are the same as provided last year.

As a first step, please reply to this email as soon as possible acknowledging receipt. I am asking this so that we do not experience a delay in contract processing related to a bad email address or some other similar complication. If I do not hear from you, I will continue to follow up as necessary and I will also follow up until we have the 3 original signed contract packages from you as well.

Also, in your reply, please let me know if you would prefer that I mail you hard copies of any or all contract documents which I will happily do if requested. Otherwise, please print three originals of the required documents from this email for return to me as the 3 full and complete originals with signature for processing here at SMART.

This email contains the following attachments:

- A pdf of the FY 2013 contract document
- A pdf containing the FY 2012 contract package as submitted by your agency for last year to serve as a potential guide as you complete your FY 2013 contract package

Please feel free to contact me regarding anything which may be missing from this email and/or any questions you may have regarding the MC contract process or package for FY 2013. As always, please contact me whenever you feel I may be able to assist you.

I look forward to a successful and timely FY 2013 MC contract process so that your agency and SMART can begin processing the appropriate activity associated with the MC funds. I will need 3 complete original packages (each including the signed contract document) returned to me at the address below for processing at SMART.

Thank you!

Steven Brown

MUNICIPAL CREDIT CONTRACT

FY - 2013

I, Bryan Barnett, on behalf of the City of Rochester Hills apply to SMART for our Municipal Credits for the period July 1, 2012 to June 30, 2013, and agree that the Municipal and Community Credits Master Agreement, which is incorporated herein by reference, will form part of this agreement. Specific terms, conditions, and budgetary projections are set forth in Exhibits A and B as necessary.

Our community agrees to use the \$69,806 in **Municipal Credit** funds available to us as follows:

- (1) Transfer of \$ 69,806 To The Older Person's Commission
TRANSFEREE COMMUNITY
At the cost of \$ 69,806
- (2) Transportation program operated/administered by the community
(Includes Charters, Van/Bus Program, Taxi Reimbursement)

At the cost of \$ _____

Total \$ 69,806

Pursuant to Act 51, SMART intends to provide Municipal Credit funds under this contract to the extent funds for the program are made available to it by the Michigan Legislature. Municipal Credit funds made available to SMART through legislative appropriation are based on projected revenue estimates. In the event that revenue actually received is insufficient to support the Legislature's appropriation, it may necessitate a reduction in the amount of funds available to the City of Rochester Hills. In such event, SMART reserves the right, without notice, to reduce the payment of Municipal Credit funds by the amount of any reduction by the legislature to SMART.
