Legislative File No: 2016-0186

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P.E., Director of Public Services
DATE: May 2, 2016
SUBJECT: Purchase Authorization to Road Commission for Oakland County for limestone on Mead Road and Winkler Mill Road.

REQUEST:

The Department of Public Services recommends that City Council approves the payment to the Road Commission for Oakland County for road maintenance along Mead Road and Winkler Mill Road and authorizes the expenditure of an amount not to exceed \$100,000.00.

REASON FOR PURCHASE:

Based on the positive results of applying limestone on Washington and Dutton Roads, again, in 2016 an additional \$100,000.00 was included in the Major Road Preservation budget to continue making improvements to the condition of RCOC gravel roads.

The City of Rochester Hills asked (RCOC) to install limestone aggregate on Mead Road and Winkler Mill Road, and agreed to pay the increased cost of limestone versus gravel, as part of their 2016 Road Haul Program.

Since limestone material provides a more durable road surface defense from heavy rains, the condition of Washington and Dutton Road has improved. A limestone aggregate application of 2,000 ton per mile will be placed and graded on Mead Road and Winkler Mill Road, followed with a chloride treatment.
