Identify and Describe your Company's experience and ability to provide artwork design/graphic services to the City:	Seaside Companies LLC offers extensive experience & proven graphic design expertise, evidenced by successful branding for townships municipalities & state departments. They deliver full-service artwork creation—including logos, embroidery digitization, & print-ready materials for apparel, business cards, flyers, & promotional items—ensuring high-quality, innovative designs at competitive rates with end-to-end production consistency ideal for municipal contracts.	They say they are unique in that they have on-site embroidery, silkscreen, heat transfers and artwork. They have more than 30 years of industry experience combined with cutting edge technology and front end eStores that will manage the program for the client.	SP Designs has artists in house who have the ability to take your concept or logo and format that to be placed on a garment.
Describe how the clothing services of your firm address the needs of the City of Rochester Hills:	Seaside Companies LLC will meet Rochester Hills' needs with high-quality, budget-friendly graphic design and custom branding, including logos, uniforms, event apparel. They say their proven expertise ensures rapid, collaborative delivery with full production consistency—ideal for public safety, parks, recreation, and community outreach.	They say they provide high quality custom apparel that strengthens community identity & professional branding. They offer durable comfortable clothing for businesses, schools, and organizations, ensuring they look polished while meeting daily demands. Their services include personalized consultations, ways online ordering, and fast turnaround times to deliver convenience & reliability.	They say they will be a one stop shop for all items that need a logo. They are proud to offer wholesale prices on quality apparel. Providing incomparable products in an expedient manner with attention to detail and friendly service.
Would you subcontract any of the services being requested?	No	No	No
Describe the firm's experience with other customers or communities in the type of services described in this proposal:	Seaside Companies LLC brings national-scale experience in outfitting municipal and state employees with custom uniforms and branded apparel. They say they have delivered high-visibility safety vests for state DOT crews, performance polos for urban park services across multiple states, and embroidered dress shirts for city administrative staff in compliance with federal and state branding standards. Past projects include scalable orders of 500+ units for regional public works departments.	They say they service more than 100 municipalities and they listed several in Michigan.	SP Designs has worked with many cities, states, governments, and schools to provide them with quality garments with their choice of application in a quick and efficient time frame.
What detail will be provided on your firm's invoice to the City?	Each invoice will detail the given PO number and size, color, and quantity of each garment requested.	They say that their invoice is customizable.	All invoices will have the buyer's name, address, and email. Items will be listed with pricing. A mock up with instructions will be under line items. PO or Buyer's name will be
