SUBJECT: Draft City Council Policy for Council Attendance/Per Diem Compensation

The Administration & Information Services (AIS) Committee has held discussions regarding methods used to determine what should be counted as a “paid meeting” after reaching 32 meetings in a calendar year. A draft policy was provided by Ms. Hill with the intent to clarify what types of meetings qualify for per diem compensation.

It was the consensus of the AIS Committee to recommend that the draft policy regarding Council Attendance/Per Diem Compensation be moved forward to City Council for review and possible adoption.
