On December 13, 2006, the Rochester Hills City Council approved the design change from a signalized intersection to a roundabout intersection at Hamlin Road and Livernois. The design plans were modified to accommodate the roundabout. The next phase of the project was to acquire the necessary Rights-of-Way (ROW) before construction could commence. The necessary ROW was acquired and the construction funds were obligated by MDOT. The Federal funds will cover 81.85% of the approved cost expenditures for the project.
