Legislative File No: 2015-0108

**TO:** Mayor and City Council Members  
**FROM:** Allan E. Schneck, P. E., Director of Public Services  
**DATE:** March 16, 2015  
**SUBJECT:** Adoption of a Street Resolution - Shortridge Ave

**REQUEST:**

Adoption of a street resolution to place the westerly 151.65 feet of Shortridge Avenue within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.

**BACKGROUND:**

The resolution is for the extension of Shortridge Avenue that was constructed when a new residential home was constructed in Section 34 within the Hickory Ridge Condominiums of Rochester Hills.

The State of Michigan requires that a street resolution be adopted from the governing body in order to place a public street into the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951 (as amended). In 1999, the State initiated that all public streets, including those within platted subdivisions, must have an adopted street resolution by the jurisdictional road agency.

A certified street resolution will need to be returned to the Michigan Department of Transportation (MDOT), accompanied with City Mileage Certification, Act 51 Reports. Upon City Council approval, please provide a certified resolution so we may include the resolution within our City Mileage Certification Reports for mailing this year.

**RECOMMENDATION:**

The Department of Public Services recommends the adoption of this resolution to place the westerly 151.65 feet of Shortridge Avenue within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.
