Re: Brewster Place Discussion Topic

Kristen-

We are requesting a postponement of the discussion topic scheduled on the April 17<sup>th</sup> Planning Commission agenda for the proposed Brewster Place development on the 7.31 acre parcel adjacent to the Samaritas residential facility, north of Walton Road on the west side of Brewster. While we would appreciate direction from the planning commission, at this time we would like to meet directly with the neighborhood prior to introducing the plan in a public forum.

Thank you.

Respectfully,
