Legislative File No: 2018-0356

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P.E., DPS Director
DATE: August 27, 2018
SUBJECT: Traffic Signal Agreement – Reuther Middle School Zone Speed Limit Sign & Flasher
Auburn Road (EB) – 150 Feet East of Frankson Avenue
Auburn Road (WB) – 130 Feet East of Culbertson Avenue

REQUEST:

The Department of Public Services recommends that City Council approve the two (2) agreements between the Road Commission for Oakland County (RCOC) and the City of Rochester Hills for the installation, operations and maintenance of the school zone speed limit sign & flasher signal assembly at the above-referenced locations; and authorizes the Mayor to execute the agreement on behalf of the City.

REASON FOR PURCHASE:

The school zone speed limit sign & flasher signal assemblies were originally installed by the Michigan Department of Transportation (MDOT) for the Reuther Middle School. Jurisdiction along this segment of Auburn Rd was recently transferred to the CITY, thus necessitating new agreements. The existing light-emitting diode (LED) speed limit display signs with bi-directional flashing beacons will remain in place.

The total estimated cost for the annual operations and maintenance costs of the two (2) school zone speed limit sign & flasher signal assemblies is \$500.00. The installation, operations and maintenance costs will be shared between the following agencies at the following splits:

Location: Auburn Road (EB) – 150 Feet East of Frankson Avenue

<u>Agency</u>	<u>Cost Share (Installation, Operations & Maintenance)</u>
Rochester Community Schools	50%
City of Rochester Hills	50%

Location: Auburn Road (WB) – 130 Feet Culbertson Avenue

<u>Agency</u>	<u>Cost Share (Installation, Operations & Maintenance)</u>
Rochester Community Schools	50%
City of Rochester Hills	50%

Approval of the attached traffic signal agreement will supersede the existing signal agreement for this intersection.

BUDGET:

Costs associated with the installation, operation and maintenance of the school zone speed limit sign & flasher signal assembly will be covered under the existing Traffic Signal Maintenance agreement with the RCOC. These costs will also be covered under the existing blanket for RCOC of \$80,000 [Legislative File #2018-008].
