

2009 CANADA GEESE  
REQUEST TO ROUND UP (CAPTURE), HOLD GEESE APPLICATION

**APPLICANT RESPONSIBILITY:** Canada Goose removal will be based on the conditions and requirements stipulated in the ROUND UP (CAPTURE), HOLD information sheet. **ALL APPLICATIONS MUST BE RECEIVED (postmarked) BY JUNE 1, 2009.**

**APPLICANT MUST CHECK ONE OF THE BOXES BELOW**

- Resolution:** Applicant has a resolution approved by the local governmental agency (township, city etc), which represents the property owners on the subject lake/body of water/site, approving roundup for their site. **Copy of resolution must be sent with application.** Resolution must clearly state the animals may be killed. Contact your local township/city clerk's office to request a resolution for you site.
- Petition:** Public approval consisting of a signed petition representing 70% of the lakeshore property owners, which clearly states that those signing understand the geese, may be killed. Petition forms available from DNR. The petition will be valid for a 5 yr period, though the applicant must apply annually for the program. **Copy of signed petition must be on file with DNR**
- Business:** An institution, corporation, or other entity which owns/controls all lands surrounding or containing the subject lake/body of water/site. This can include golf courses, apartments/condos, parks, and recreation areas.
- Sole Owner:** Applicant is an individual with sole ownership and control of the subject lake/body of water/site, with no public access.

Please print the information below: Applications will be denied if information and signature is not provided.

Name of Licenced Contractor transporting birds to pen ROSE PEST SOLUTIONS

Who will actually be rounding up the birds (check box below)

Myself with others assisting OR  Private Contractor as listed above

\*Note that a MDNR permit is required to transport geese. You must contract with a private contractor to have the geese delivered to the MDNR holding pens. A list of authorized and licensed contractors is available at [www.michigan.gov/dnr](http://www.michigan.gov/dnr).

A permit for round-up will only be issued after the permittee has obtained public approval. This approval consists of (1) a signed petition representing 70 percent of the lakeshore property owners, or (2) a written resolution (request) from a local unit of government with governing authority of the landowners on the subject lake/waterbody/site, or (3) sole ownership of the lake/waterbody/site.

I have read the attached information sheet and agree to abide by the program guidelines; all property owners on the lake/site clearly understand the geese removed from this site may be euthanized; I have in my possession, a copy of the signatures/resolution that allows my site to be eligible for this program. This permit does not authorize the permittee (while conducting this program) to trespass on lands not owned by him/her unless authorization of the owner has been given.
