Good Morning Pam:

I apologize for my delay in sending you the form for the Candidate Questionnaire for the LDFA Board. I am not sure I will be able to sign up again, even though I have committed to the Mayor on this one. The reasoning is that my wife and I are in the process of changing our address and we believe we have found a house, after an exhaustive search in Rochester Hills (seriously), in Auburn Hills that we are going to pursue. If the transaction closes, I don't believe that I can serve on this board, even though I really would like to.

We went under contract yesterday, and are due to close in 30 days. If things change, I will be the first to notify you.

Thank you very much for the opportunity to continue to serve Rochester Hills, which will still be my goal.

Kris
