
Name: Citizens Pathway Review Committee

Type: Board or Commission

Description: Established by City Council on October 10, 2007 for the purpose to suggest, review, rank and recommend future pathway projects to the Planning Commission. The Committee is responsible for the following: reviewing pathway construction and major rehabilitation projects and recommend priorities to City Council; review and recommend major pathway policies to City Council such as: Pathway Construction Standards; Compliance with Other Requirements; and the goal of having a contiguous pathway on at least one side of all major arteries; and provide recommendations to City Council, as appropriate, and may exist throughout the life of the current Pathway Millage which was enacted in 2006 and continues through 2015.
