All,

As discussed and set forth in section V. of our By-Laws, I am requesting through email communication the Board's approval of a resolution to authorize the Rochester High School Athletic Booster Club to apply for a gaming license with the State of Michigan. This license will be used to support our 50/50 and grand prize raffle activities at our Falcon Scramble Golf Outing this August. Please reply to this email to provide your approval of this resolution and we will use this electronic communication chain as documentation of our approval and will communicate this to the Club members at our next Booster Club Meeting. Thank you for your support and reach out to me with any questions or concerns.

Jason Parsons
Co-Treasurer - Rochester High School Athletic Booster Club
