Good Morning Jennifer,

Please see below and attached for requested information on the following:

1. Window specs and photos of material on site attached
 - a. 📁 [260513_HDC Documents for Submittal to O'Brien](#) (previously submitted May 1)
2. Box eaves and rake boards, the intent is to continue with existing pre-finished fiber cement trim boards with a matching finishe and profile.
3. Mortar addition tuckpointing will be required. Our drawings and specs will require a Natural Hydraulic Lime (NHL) mortar, no stronger than NHL 3.5 specification sheet included in the link above. Color to be field verified and including a mockup review.

Please let us know if you would like a more formal response is preparation for tomorrow's meeting.

Thanks,

Megan Hon, LEED AP
