Borden Park Maintenance Building Lockers and Benches ITB-RH-25-068 Closes on December 22, 2025 at 3:00 p.m.	Brainard Enterprise 15730 Northland Drive Cedar Springs, MI 49341	Decima LLC 16870 Schaefer Hwy. Detroit, MI 48235	The Casper Corporation 24081 Research Drive Farmington Hills, MI 48335
Please state deviations to the Bid	Door Frame members for all welded Lyon lockers are 16 gauge, door will be 14 gauge. Boot tray inserts are not available for the 24" deep locker sizes. 14 gauge metal Z base exceeds 18 gauge requirement. Production lead times are currently 6-8 weeks. Pricing based on single material order from manufacturer, split or partial orders may result in increased cost per individual unit. If MI prevailing wage applies, add \$1,700.00	N/A	Lockers are 18 gauge with double layered door. It is a fully welded locker, no rivets or bolts used for body.
Are lockers ADA Compliant?	Yes	Yes	Yes, upon request.
Are product specifications and/or brochure included with bid.	Yes	Yes	Yes
Installation Services	Includes installation by Brainard Enterprise and will be performed by their installers, 20+ years of experience intalling metal lockers.	Bid includes full installation services, and performed by their in-house team.	In house installation with certified crew members.
