Re: Cambridge Knoll Condos. - Section #14 – Review #3

---

## NOT APPROVED

This review based on drawings received by Planning on 11/15/2024, the below updates are required to be made on the prints for approval.

The following name(s) is/are Approved:

Prefi x	Street Name	Suffi x
	Cardiff	Ct

**NOTE:** With the stub streets not long enough to require “T” turn around I’m told, and with minimal chance of them ever being extended, then at this design point Cardiff will be considered a court, and the two lots on each stub will be off Cardiff Ct.

HOWEVER, If either east/west stub is extended, then the affected lots shall be renamed as necessary for the new design at that time. The owner(s) and homeowners shall be responsible for all costs and necessary changes to readdress the required lots to the new street name.

The following name(s) is/are Not Approved:

Prefi x	Street Name	Suffi x
	Arsenal	Ct
	Brighton	Ct

Please remove these streets from plan and resubmit for Approval
