INTERESTS/REASONS/QUALIFICATIONS (Specifically list the reasons you are interested in serving on this/these committees and any qualifications you have for being on this/these committees:

I was fortunate to be appointed to the board a few months ago and am learning so much, but feel as though I've only just started serving with the group. I was able to attend the two scheduled meetings since my appointment, as well as meeting with Matt Einheuser, who gave me some fantastic information to read. Of course, I love the spaces and our city and am excited to be an active part of caring for them. I would really be honored to have more time with this board to continue to learn and to serve the city.
