HDC New Construction/Demolition Application Instructions

For additional information, please refer to the Historical Preservation Ordinance ([Chapter 118 of the Code of Ordinances](#)) which is available on the City's website.

1. **Completed Applications.** Completed applications include the following.

- a. Site plan drawn to an appropriate scale, identifying and dimensioning all major features including property lines, main buildings, outbuildings, parking areas, drives, walkways, fences, major trees, significant variations in grade elevation, relationship to adjacent streets and structures, and the relationship of major features to property lines, a north point shall be indicated on the plan
- b. Plans and elevations of the structure drawn to scale (minimum scale of $\frac{1}{4}$ in. = 1 ft. for residential and $\frac{1}{8}$ in. = 1 ft. for commercial) illustrating the entire exterior perimeter of new resources, existing resources on which work is to be done, and any proposed work, together with pertinent dimensions and depiction of major exterior features including doors, windows, bays, porches, architectural trim and elevations; details pertaining to exterior building materials shall also be provided including types, finishes and colors, kind and size of exterior wall material, and other significant architectural information (*if applicable*)
- c. Any other information which the applicant feels will aid the City in its review including photographs, research materials or other descriptive information

2. **Application Process.** You may submit all required documents online. [Click here](#) to apply for a Planning, Zoning or Engineering Process online.

3. **Review Process.** Before construction, alteration, repair, moving or demolition affecting the exterior appearance of a structure, or the construction of a new structure or part thereof, within a Historic District, the person proposing to take such action shall apply for and obtain permission to do so from the HDC, regardless of whether a building permit is required.

A person requesting to do any work on a resource within a Historic District that requires a building permit shall apply to the Building Department. The Building Department shall review the completed application to ensure the proposed work will comply with applicable setback and other planning, zoning, and environmental requirements and any other applicable Ordinances and forward their approval/denial onto the HDC.

City staff and consultants will review the plans to ensure compliance with City ordinances within 15 days of submittal (10 days for subsequent reviews). If it is determined that one or more applicable item(s) are not included or need to be modified, the applicant will be contacted. Incomplete applications will not be placed on a HDC agenda until all necessary information is submitted and reviewed. When it is determined by City staff that the application is complete and any necessary revisions have been made, the project will be placed on the next scheduled HDC meeting. HDC meetings are generally held the second Thursday of each month at 7:00 P.M.

1. **Fees.** Established fees as follows must be provided before the application can be processed. Checks should be made payable to the City of Rochester Hills.

1. Permit applications requiring Historic District Commission review: \$80
2. Modifications to decrease the size of a designated historic district or removal of a property from a designated historic district.
 - a. The applicant shall be charged a review fee corresponding to the cost of consultant investigation and review.
