Re: Planning and Economic Development Department Annual Report 2025

Section 125.3819 of the Michigan Planning Enabling Act (Public Act 33 of 2008, as amended) requires the Planning Commission to prepare an annual report documenting its operations and the status of planning activities. The PED Department has traditionally expanded the scope of the report to further document the activities of all of the boards and commissions staffed by the PED Department and PED staff. By doing so, the report provides a more complete picture of the Planning, Zoning and Economic Development activities in the City.

This year, the PED Team has once again compiled the PED Annual Report in a Storymap (web-based design) format that is intended to allow readers to fully interact with the document and opportunities to explore the information being provided by the Department. Once accepted, the PED Department will prepare an executive summary of the report that will be posted online. The full web-based report can be found [here](#).

The action being requested at this meeting is for the Planning Commission to accept the 2025 Planning and Economic Development (PED) Annual Report, and the City Council will be asked to accept the report at the next regularly scheduled City Council meeting on February 9, 2026. Below is a motion for consideration for acceptance:

MOTION by _____, seconded by _____, the Rochester Hills Planning Commission hereby accepts the 2025 Annual Report and associated Executive Summary for the Planning and Economic Development Department.
