**TO:** Mayor and City Council Members  
**FROM:** Joe Snyder, Chief Financial Officer, x2534  
**DATE:** July 7, 2025  
**SUBJECT:** Pathway Millage Renewal Presentation

**REQUEST:**

Administration will present potential options to the Rochester Hills City Council regarding the renewal of the City’s Pathway Millage which will expire after Tax Year 2025, which will provide funding through Fiscal Year 2026.

The City will need to determine what level of Pathway funding to present to City voters for Tax Year 2026, to provide funding for Fiscal Year 2027 and beyond.

**BACKGROUND:**

The existing level of Pathway funding is adequate to provide for the annual operations and maintenance of the City’s Pathway System, and is adequate to support the major rehabilitation of approximately 1-mile of City Pathway per year on the City’s 100-mile Pathway System, this equates to a 100-year entire City Pathway system major rehabilitation schedule.

Administration will present options to increase the annual level of major rehabilitation to approximately 5-miles of City Pathway per year on the City’s 100-mile Pathway System, which would equate to a 20-year entire City Pathway system major rehabilitation schedule.
