**Subject:** 63042-093040-23-Vito Munaco  
**Attachments:** 3703A SPECIAL CONDITIONS FOR HORIZONTAL.pdf; 3702 - Application Requirements for Trenchless Installations.pdf

**Categories:** Filed by Newforma

CAUTION: External Email

MDOT has reviewed the above referenced permit and has the following comments:

- **Preliminary plan has been approved we need full set of plan for full review (more detail on the utilities tapping on MDOT ROW and please follow MDOT 3702 and MDOT 3703A )**

We will be placing the permit on hold in CPS while we wait for the above items.
