**TO:** Mayor and City Council Members  
**FROM:** Joe Snyder, Chief Financial Officer, ext 2534  
**DATE:** April 13, 2026  
**SUBJECT:** Pathway Millage Renewal Ballot Language

---

**REQUEST:**

The Public Safety and Infrastructure Technical Review Committee (PS&I TRC) requests the Rochester Hills City Council approve the Pathway Millage Renewal Ballot Language, and place the Pathway Millage Renewal Question on the August 4, 2026 Primary Election Ballot.

**BACKGROUND:**

The PS&I TRC met on March 16, 2026 to discuss the City's Pathway Network and Pathway funding options.

After a presentation from Administration and discussion by the Committee, the PS&I TRC voted unanimously to recommend to the Rochester Hills City Council approval of a straight-renewal of the existing Pathway Millage at its current millage rate for a new ten (10) year period beginning covering Fiscal Years 2027-2036.

As well as part of the PS&I TRC discussion, the PS&I TRC recommends the addition of Paint Creek Trail within the millage language so that future Pathway Millage funding could potentially be used for the rehabilitation of the Paint Creek Trail segment within the City of Rochester Hills local borders.

**RECOMMENDATION:**

The Public Safety and Infrastructure Technical Review Committee recommends the Rochester Hills City Council approve the Pathway Millage Renewal Ballot Language, and place the Pathway Millage Renewal Question on the August 4, 2026 Primary Election Ballot.
