Legislative File No: 2026-0040 V2

TO: Mayor and City Council Members
FROM: Chris McLeod, Planning Manager, ext. 2572
DATE: February 10, 2025
SUBJECT: Request for acceptance of the 2025 Planning and Economic Development Department (PED) Annual Report.

REQUEST:

The City Council accepts the 2025 PED Annual Report as accepted by the Planning Commission at the February 2, 2026 joint meeting of the Planning Commission and City Council.

BACKGROUND:

Section 125.3819 of the Michigan Planning Enabling Act (Public Act 33 of 2008, as amended) requires the Planning Commission to prepare an annual report documenting its operations and status of planning activities. The PED Department has traditionally expanded the scope of the report to further document the activities of all of the boards and commissions staffed by the PED Department. By doing so, the report provides a more complete picture of the Planning, Zoning and Economic Development activities in the City. Consistent with last year’s annual report, the PED Department has maintained the annual report as an interactive, immersive online experience allowing users more opportunities to explore, while still providing a more traditional short executive summary PDF. The attached Annual Report executive summary and the link to the full online, interactive [Annual Report](#) fulfills the state obligation for 2025 and provides information on future goals and priorities planned for 2026.

RECOMMENDATION:

Staff recommends that City Council accepts the 2025 Planning and Economic Development Department Annual Report.
