

**Title**

Water System Advisory Council Upcoming Rate Year Discussion

**Body**

Resolved, that the Water System Advisory Council (WSAC) adopted the following Resolution at the April 29, 2026 meeting:

Offered by Hooper, seconded by Hurst;

Whereas, the Water System Advisory Council supports the concept that expenses of the water and sanitary sewer system must be supported by revenue from the users of the system and,

Whereas, the Water System Advisory Council supports the methodology for the calculation of water and sanitary sewer rates and charges that reflect the direct and indirect costs of the water and sanitary sewer system consistent with industry guidance to generate Water & Sanitary Sewer rate revenues that meet respective system revenue requirements;

Therefore, be it resolved, that the Water System Advisory Council recommends the rates as presented to the committee known as Option # 2a.

The Water System Advisory Council further recommends that the City Council adopt the water and sewer rates for the billing period July 1, 2026 to June 30, 2027 as recommended by the Water System Advisory Council.

The resolution was approved by the following vote:

Yeas: Garvey, Hooper, Hurst, Carlock, Limburg, Mannino

Abstain: None

Nays: None

Absent: Malhotra, Paille
