Legislative File No: 2024-0019

TO: Mayor and City Council Members
FROM: Joe Snyder, Chief Financial Officer, x2534
DATE: January 22, 2024
SUBJECT: Approval of EECBG Grant Award Application

REQUEST:

The City of Rochester Hills City Council is requested to approve the United States Department of Energy (“DOE”) / Energy Efficiency and Conservation Block Grant Program (“EECBG”) Award Application as presented, and to further authorize the Chief Financial Officer to sign and submit the Program Agreement on behalf of the City of Rochester Hills.

BACKGROUND:

The City of Rochester Hills has applied for, and has subsequently been awarded, a grant issued through the DOE through their EECBG program in the amount of \$131,400. The City plans to utilize the \$131,400 of EECBG funding to offset a portion of the currently budgeted City Hall LED Lighting Retrofitting project which will include both internal and external (parking lot) lighting.

The City has been working with a DTE consultant to identify the potential energy savings generated by retrofitting existing lighting systems to more energy efficient LED lighting. Current estimates are an approximate (15%) reduction in electrical usage equating to (\$17,000) per year in electrical costs for City Hall.

The City is currently finalizing the specifications for the LED Lighting Conversion Project, anticipating an award of the LED Lighting Conversion Project by the 2nd Quarter of 2024. The City anticipates utilizing the EECBG funding award to offset a significant portion of the project.

RECOMMENDATION:

The City of Rochester Hills City Council is recommended to approve the United States Department of Energy (“DOE”) / Energy Efficiency and Conservation Block Grant Program (“EECBG”) Award Application as presented, and to further authorize the Chief Financial Officer to sign and submit the Program Agreement on behalf of the City of Rochester Hills.
